

Anna Pawlik

Junior Frontend
Developer

Tech Stack

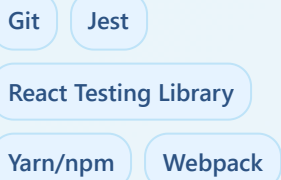

LANGUAGES

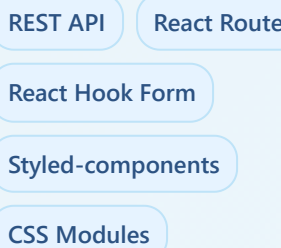

FRAMEWORKS & LIBRARIES

TOOLS & TESTING

OTHER SKILLS

Junior Frontend Developer with solid foundations in **React**, **TypeScript**, and building modern, user-friendly interfaces. Combines technical skills and **teamwork** with proven **leadership experience** gained in retail management. Currently enhancing expertise through mentorship and **hands-on projects**.

Projects

Personal Finance Management App

Comprehensive finance tracking application with **expense monitoring**, **budget management**, and recurring bill tracking. Features real-time financial news integration and intuitive navigation between app sections with **Redux Toolkit** for state management.

Form Generator Library

TypeScript library for creating dynamic one-step and multi-step forms with built-in **internationalization support**. Published as **npm package** with customizable styling and API integrations using strategy pattern.

Experience

Frontend Developer Mentoring

You Can Dev • 2022 - Present

- Develop responsive and accessible user interfaces using **HTML5**, **CSS3**, **JavaScript**, and **TypeScript**, with a strong focus on **code clarity** and **quality**.
- Build frontend applications with **React**, including state management with **Redux** and implementing navigation with **React Router**.
- Work with **REST APIs** — fetching, sending, and handling data.
- Manage project dependencies and scripts using **Yarn** and **npm**.
- Use **Git** for version control and collaboration.
- Regular weekly meetings with a mentor to discuss progress and resolve frontend learning challenges.
- Receive detailed feedback on **code quality**, enabling systematic error correction.
- Organize and prioritize development tasks efficiently using **Trello**.

Skills

- Ability to work both **independently** and as **part of a team**
- Highly developed **interpersonal skills**
- Excellent **work organization**
- Fluent in **English (C1)**

Interests

- Sports & Healthy Lifestyle
- Personal Development
- Neurobiology

Young Manager

Douglas • July 2023 - March 2024

- Managed a team and coordinated daily tasks, developing strong **organizational skills** and the ability to work in a fast-paced environment.
- Communicated and collaborated effectively with various departments, enhancing **teamwork** and problem-solving abilities.
- Analyzed and improved operational processes, building logical thinking and **analytical skills**.
- Used task management and planning tools to ensure timely task completion and maintain project schedules.

Sales Consultant

Douglas • September 2019 - June 2023

Education

Postgraduate Studies | Frontend Developer

Krakowska Akademia im. Gustawa Herlinga-Grudzińskiego • 2020-2021

- Gained foundational knowledge of frontend technologies: **HTML5**, **CSS3**, and **JavaScript**.
- Learned **HTML semantics**, document structure, and basic web accessibility principles.
- Applied fundamental CSS techniques such as **Flexbox**, **Grid layouts**, and **responsive design**.
- Explored basic JavaScript concepts for **DOM manipulation** and **event handling**.

Bachelor's Degree | Cosmetology

Krakowska Akademia im. Gustawa Herlinga-Grudzińskiego • 2016-2019
